

Our latest District meeting update

Effective Wednesday August 18, 2021, we will **stop having our district meetings**. Currently Guilford, Durham, and Orange counties along with Raleigh and Boone are requiring masks to be worn inside all public spaces. Wake and Buncombe Counties along with Charlotte are expected to join this list later this week. We do not feel that it is safe for all our North Carolina members to attend district meetings at this time.

The district officers will remain in their positions until spring when we hopefully will be able to have our annual Spring Business meetings once again. Those members wishing to be Delegates to the State Convention must still submit the Pre-registration form for North Carolina State Delegate to Vicki Gray. They will be seated as delegates at the State Convention on a first come basis.

My apologies to the District officers who have worked so hard to put these meetings together.
