

Thank you to everyone who came out to our State Convention in Cherokee. While our days were long, beginning with our District officer training at 3pm and the memorial service at 7pm on Sunday evening. Our opening session began at 8:30am with the TSP meeting ending our day at 9pm on Monday and the PAC fund raiser lasting until 10pm on Tuesday. Having Shirley Baffa come and speak to us about RRECS and give us a refresher on what we as carriers and management need to be doing or not doing, was priceless. We all have learned a lot.

Thank you to the members of the State Board for donating their own money to rent the 360 photo booth. It was a huge success. We raised \$12,816.49 for PAC. Thank you to everyone that donated to PAC during this event. Mark McKendree won the \$200 for becoming a sustaining donor. He donated the \$200 back to PAC and Talisha Locklear won it. Pam Farmer won the lovely diamond tennis bracelet. Thank you to everyone that donated to PAC during this Convention.

We are beginning a new contest for sustaining donors. If you sign up to become a sustaining donor between now and September 30, 2023 your name will be entered into our new \$200 sustaining donor contest. The winner will be announced at the Fall Booster.
