

Our North Carolina fall booster has been canceled! The members of your state board unanimously decided to cancel due to the restrictions necessary to provide a safe environment for us to meet. Those restrictions drastically reduced the number of members who would be able to attend the meeting.

For many years, our state has been a part of the Atlantic Area states with Dennis Conley as our NRO. **We are now in the Southern Area** which also includes South Carolina, Georgia, Florida, Puerto Rico, Alabama, Mississippi, Louisiana, Texas, Oklahoma, Arkansas, and Tennessee.

Shirley Baffa is now our NRO. She is from Arkansas and has served in various positions at the local, state, and national levels. She was appointed as Assistant State Steward in 2002 and State Steward in 2008 and served as District Representative since 2012 when the National Steward System was implemented. She was elected to the NRLCA National Board during the 2015 convention in Reno, Nevada. Her contact information is on the inside front cover of the national magazine. Her phone number is **870-613-7838**.

Paul Swartz's mother, Mary passed away this week very unexpectedly. Paul is the Director of Governmental Affairs. He keeps us informed of everything postal on Capitol Hill. For those of you that have attended SAC or any National Convention and know Paul, please send cards to:

Family of Mary Swartz

34 Kerry Court

Mechanicsburg, PA 17050

Stay safe!
