Tentative Agreement Reached

The National Rural Letter Carriers' Association and the United States Postal Service have negotiated a Tentative Agreement to cover the three-year period from May 21, 2024 to May 20, 2027.

This Tentative Agreement must be ratified by a majority of the voting membership of the NRLCA to become effective.

A more detailed explanation of the changes will be presented in a special Tentative Agreement edition of the National Rural Letter Carrier magazine and via ratification meetings to be held in every state in accordance with Article XI, Section 1 of the Constitution of the National Rural Letter Carriers' Association. The required ratification meetings will be held throughout the months of May and June 2025 in conjunction with state conventions when possible; the time and place of each meeting will be published on the NRLCA website as soon as possible.

The NRLCA National Board unanimously believes the Tentative Agreement is fair and reasonable and is in the best interests of the 131,000 hardworking rural letter carriers across the country. The Tentative Agreement provides for substantial gains in wages and benefits for all classifications of rural carriers.

(From The NRLCA website)

Highlights of the Tentative Agreement may be found on the National website.

The North Carolina ratification meeting date and time will be posted on the website, [NCRCLCA.org](https://www.ncrclca.org) as soon as confirmed.

So Many Things

Happy Spring everyone, we have now completed our 5th mini mail survey. This impacted those of us here in WNC due to Hurricane Helene, Routes experiencing washed-out roads and bridges, detours and homes lost. Our integrity is on the line, please do not cheat yourself or your route.

Reports are sent out of routes still not scanning, train your RCA to SCAN-SCAN-SCAN, Review RRECS, go to your district meetings, do your mapping EVERY MONTH. If you are still not doing your mapping contact your Steward. This is your time and that will affect your evaluation.

On the lookout:

The safety teams are out looking for unsafe events. High on the list are SEAT BELTS infractions and airpods. We have had several fatalities this past year with accidents involving carriers not wearing their seatbelts (lap belts) and were thrown from their vehicles. I want you to come home to your family just as you come to work that day. Safe and sound. Please buckle up!

Legislative at work:

The Legislative Seminar was earlier than normal this year. The cherry blossoms were in peak season and the weather was beautiful too. It was very busy up there this year compared to my previous visits. This was Vice President Jay Schreiber's first legislative (see his article in this issue on his experience).

We met with several Legislative aides and Congresswomen Ross spent a long time with us discussing the issues we are facing as well as Rep. Henry's office. We also participated in the Rally to Stop Privatization. Many Rallies were held across the State as well. We hope you were able to attend one near you.

Upcoming events:

Food Drive:

Stamp out Hunger Food Drive Day is May 10th. This is a wonderful cause that helps the communities right where you serve. Your participation is crucial in supporting our communities.

The State Convention

State Convention will be from June 16 through June 18th at Great Wolf Lodge in Concord, NC. We have 100 rooms in our block this year, and reservation cutoff is by May 15th.

Changes for the State Convention this year: Your pre-registration form has a new look this year. We have added Section 2 to your registration. Please fill out that too, you must register so we have the numbers for our food events. This will help us to provide the chef with an more accurate number of meals needed for all our event meals.

Auxiliary is also requiring you to pre-register your children/grandchildren for the Junior Auxiliary this year in order for them to participate.

There is also a \$10.00 fee this year.

They also need to know the number and age of the children attending. So, they can order t-shirts and get them in time for the event. The hard deadline is May 15th.

Sunday, Joni Montroy from Key Retirement Solutions will lead a Retirement seminar. Sunday 2:00 p.m. to 5:00 p.m. If you are planning on retiring in the next 5 years please plan on attending. See Brian Hamlett's article in this issue.

The Memorial service will be led by Jesse Ray Farmer Jr. It will be at 7:00 p.m. Sunday evening. Juniors will be there as well for their part in the service.

Our guest speakers will be National Executive Committeewoman, Chair, Jeanette P. Dwyer; USPS North Carolina District Manager Scott Manier; National Auxiliary Executive Committeeman, Mary Kappenman; and EAP counsler, LaTacia Ruff, PhD.

PAC will have a Roaring 20's theme night. You can avoid the line by mailing in your check and number of people attending to Brenda Gibbs.

As stated previously, you must pre-register (requires a donation) They will have some silent action items as well as many raffle items this year. Bring your items for donation and you're \$\$ for bids and bring something home. Good Luck!

Keeping Our Priorities

Every morning, as soon as my feet hit the floor, I find myself heading straight for the coffee pot. That soothing liquid is a necessary start to my day, and I've learned not to ask my wife any questions until I've poured her a cup. Most of us know the cardinal rule of not overfilling a coffee cup, especially if we plan to add cream or, heaven forbid, carry it across the living room to hand it to someone. We only make that mistake a few times after burning our fingers with sloshed coffee or struggling with the wrong ratio of creamer. It's a small lesson, but one that teaches us about balance, something that can be applied to our lives as well.

While it's important to meet our family's needs through our work, we must be careful not to overfill our schedules to the point where we miss the moments that matter most. When we neglect those moments, relationships can begin to unravel—whether it's with a spouse, a child, or a friend.

Many of us can relate to this. It's easy to get caught up in the busyness of life, to focus on the big things like work or commitments, and miss out on the smaller, but equally important, moments. It might be a simple conversation with your spouse that's interrupted by a television show or not taking the time to help your child with a bath because you have work to catch up on.

In my daughter's living room, many memories fill my mind as I walk in. Most importantly is a wall of pictures of our grandchildren.

As I reflect on my own life, I realize that I've accumulated over 30 years of vacation days from my career in the postal service. For years, my mindset was to save them up—to either retire early or have time off in the future when I might need it. But as I spent more time with my family, I started to see how precious those moments were. I wanted to be present in their lives, even if it meant sacrificing a few extra dollars or hours of vacation.

This shift in perspective has taught me the importance of aligning my priorities with what truly matters. My first priority is my relationship with God, followed by my family and others. I make time for church & prayer. It's also my responsibility and privilege to nurture my relationships with my family—whether it's driving my kids to work or praying with them before a job interview.

Showing love often looks like being present, offering compassion, and meeting the needs of those around me. Whether that's through a shared meal, a visit, or a word of encouragement.

When we look at our schedules and obligations, it's important to ask ourselves: Do these activities draw us closer to our God, to our families, and to others, or do they lead us to frustration and burnout?

Make sure you are honoring your appropriate priorities.

Obituaries

Lori Ann Diamond was born August 8, 1976 in Norwich, New York, daughter of David and Velma Diamond. To most of her family and friends, she was always called Diamond. She always carried a pink energy drink and loved her Reece Peanut Buttercup ice-cream. She enjoyed listening to music and reading a good book. Diamond was a hard working woman with a long career of 25 years as a

Correctional Officer and currently with the United States Postal Service. Above all, she cherished her time shared with family, especially with the grandbaby. Diamond passed away suddenly at the age of 48 on March 2, 2025. She will dearly be missed by her loved ones.

We are also having the Blood drive again this year the day is TBA.

Your Resolutions and Constitution changes should have been brought to your District meetings and voted on then sent to Vicki Gray and we will hear them at the State Convention. They must be postmarked by June 1st for the committees to accept them. All others submitted will have to come up under New Business and the body will vote on if they will allow them to be heard.

Legislative Session with Cherry Blossoms

Traditionally your State President and Vice President go to Washington DC near Memorial Day, but not this year. March 23^d through 26th was an early time for Elaine and I to attend the Legislative session and meet with our Congressional Representatives and their staff.

We discussed three very important issues facing Rural Carriers and the Postal Service.

Vice President

Jay Schreiber

H.R. 1065 / S. 463 - Protect Our Letter Carrier Act provides for high security collection boxes and replaces the outdated arrow key with a newer electronic key. The legislation also calls for a designated assistant U.S. attorney in each judicial district to oversee the investigation and prosecution of alleged crimes against letter carriers. Finally, amend sentencing guidelines to provide that any crime committed against a letter carrier have more severe sentencing guidelines.

Buckle Up! Every Time, Every Trip

Hello, all my rural carrier family. I would like to go over some basic rules for our safety. Rural carrier seatbelt safety is not just a recommendation, it's a vital life-saving measure that directly affects the well-being of postal workers. Given the long distances and variable

driving conditions rural carriers face daily, wearing a seatbelt should be non-negotiable.

Here are some powerful reasons to prioritize seatbelt use:

1. Life-Saving Protection: Wearing a seatbelt dramatically reduces the risk of fatal injury in case of an accident. Don't gamble with your life—make buckling up your top priority.

2. Vehicle Integrity: Regular maintenance is crucial. Ensure that your vehicle's seatbelts are in top condition and ready to protect you when it matters most.

3. Lead by Example: Take the initiative to educate your fellow rural carriers about seatbelt safety. Rural carrier seatbelt safety is not merely a guideline; it is an essential, life-saving commitment that every postal worker must embrace. With the long, winding roads and ever-changing weather conditions that rural carriers face daily, fastening your seatbelt should be an unwavering habit.

By wholeheartedly adopting these practices, rural carriers can shape a safer work environment for themselves and their coworkers.

The USPS 603 policy outlines the importance of wearing seat belts and provides guidelines for postal employees, particularly rural carriers, to enhance safety while operating vehicles. Here are the key points typically included in this policy:

- **Mandatory Seat Belt Use:** All employees must wear seat belts while operating or riding in any USPS vehicle. This is a non-negotiable safety requirement.
- If privately-owned right-hand drive [RHD] vehicle is used on the route, seat belts must be always worn. Carriers driving RHD vehicles equipped with both shoulder and lap belts may disengage the shoulder belt only in those situations when the shoulder belt prevents the ability to collect or deliver mail.
- The lap belt must be worn when the vehicle is operated.
- When operating a privately owned vehicle [LHD] left hand drive seat belts must be worn to and from the route between the postal service units. When using a [LHD] vehicle when carriers is not positioned behind the steering wheel the rural carrier may operate the vehicle without use of the seatbelt providing the carrier determines it safe to do so.

The TSP Lifecycle Funds

The Thrift Savings Plan (TSP) is one leg of the “3 legged stool” that most federal employees use to support themselves after retirement with Social Security and pension being the other two.

You have multiple options for investing in your future with TSP contributions, each with a different level of risk. It is generally considered wise to move your investment from higher risk to more conservative options the closer you get to retirement. If you so choose you can log in and move your money between five individual funds as you see fit but there is a kind of “set it and forget it” option. The Lifecycle(L) funds.

Each of the eleven L Funds is a mix of the G, F, C, S, and I Funds, designed to give you the best expected return for your risk level. You can invest your entire portfolio in one L Fund. Every quarter, all L Funds (except L Income) automatically shift to becoming more conservative as they are nearing their target date. When an L Fund reaches its target date, it merges into the L Income Fund, for example, the L 2025 Fund will do so in 2025. L Funds stick to their set allocations for the full quarter, regardless of market changes. Since fund performance varies

daily, we rebalance the mix at the end of each trading day to restore target percentages—effectively buying low and selling high.

L funds are set in 5-year intervals (2030,2035,etc) based on when you expect to start drawing on it in retirement. As the target year approaches the risk is lowered to protect your money. Someone in the L 2050 fund has a lot longer to recover from potential losses than someone in the L 2030. The L income fund is for those who are in retirement and drawing from their TSP or plan to this year.

Watching the day to day gains and losses in these kinds of investments may not be comforting. Some of the economic turmoil we have been seeing recently may cause one to make changes to their investments unnecessarily. These types of investments are generally seen as long term with short-term changes being more like speed bumps than major setbacks over time. Please contact a financial advisor for more detailed information if needed.

We look forward to seeing you at the NC RLCA State Convention in Concord come June. Joni Montroy of Key Retirement Solutions will be hosting a Retirement seminar on Sunday, June 15 from 2:30-5pm. She is a former Federal Hr specialist and she always brings a wealth of information.

Allergy Season is Here

Spring is here and that means blooming flowers, new foliage, insect bites, and Bee Stings. It is a beautiful time of year unless you are an allergy sufferer. Be prepared by visiting your doctor, utilizing the free telehealth services by visiting Teladoc.com/Aetna,

call **1-855-835-2362**, or visit a CVS minute clinic. All these are offered through the Rural Carrier Benefit Plan.

Seasonal allergy signs and symptoms can flare up when there's a lot of pollen in the air. These steps can help you reduce your exposure:

- 🌸 Check your local TV or radio station, your local newspaper, or the internet for pollen forecasts and current pollen levels.
- 🌸 If high pollen counts are forecasted, start taking allergy medications before your symptoms start.
- 🌸 Close doors and windows at night if possible or any other time when pollen counts are high.
- 🌸 Avoid outdoor activity in the early morning when pollen counts are highest.

Several types of nonprescription medications can help ease allergy symptoms. They include:

- * Oral antihistamines
- * Corticosteroid nasal sprays
- * Cromolyn sodium nasal spray
- * Oral decongestants

Although most bug bites are harmless, some can spread dangerous diseases like Zika virus, dengue, Lyme disease, and malaria. Particularly if you're visiting areas with known insect-borne diseases.

It's important to take steps to reduce your risk. If you are allergic to bees always keep your EpiPen with you!!

To help prevent bug bites, use the following tips:

- 🐛 Use insect repellent.
- 🐛 Wear appropriate clothing.
- 🐛 Check mailboxes for bugs and bees.

🐛 Watch your steps, bees and insect's build nest in the ground.

To treat bug bites and stings at home, dermatologists recommend the following tips:

1. **For painful bites**, such as a bee sting, take an over-the-counter painkiller, such as acetaminophen or ibuprofen. Always follow the directions on the label and use the correct dose.
2. **For bites that itch**, apply an ice pack or an over-the-counter anti-itch cream, such as hydrocortisone. Another option is to take an over-the-counter oral antihistamine.
3. **To reduce swelling**, apply an ice pack to the bite.
4. **Pay attention to outbreaks**. Check the CDC Travel Health Notices website and heed travel warnings and recommendations.

If you experience any serious symptoms after a bug bite, such as a rash, fever, or body aches, see your doctor or a board-certified dermatologist immediately. Make sure you tell the doctor about your recent bite so that they can examine you for a transmitted disease.

American Red Cross
**BLOOD
DRIVE**

I have also reached out to the American Red Cross. They have accepted our invitation to attend the Convention again this year. We do not know yet which day they will be there.

Every 2 seconds, someone in the U.S. needs blood. The Red Cross provides about 40% of our nation's blood and blood components, all from generous volunteer donors.

The Red Cross says that the number of people donating blood has dropped by 40% over the last two decades.

Each new donor helps them meet patient needs.

We had an awesome turnout last year. Lets do it again!

Retirement Seminar & More This Year

We are going back to Great Wolf Lodge this year. The room rate this year for Great Wolf is \$149.99 plus tax per night. This does include your pass to the waterpark and we will also have free parking, **DO NOT SCAN the QR code for parking when you arrive. This does not apply to us and we will not be able to get you a refund if you use it.**

Reservations must be made **by May 15th**. Reservation info is on the back cover

Don't forget to preregister to be a paid delegate to the State Convention. You **MUST** be elected as a delegate from your district and preregister by May 16th to be paid.

The form is a little different this year. We want to know if you will be partaking in the meals provided for you. We need to provide the chef with a more accurate number of meals, so please fill out the second section with your pre-registration.

The Auxiliary is also **requiring** that you preregister your children/grandchildren for the Junior Auxiliary this year for them to participate. There is a \$10 fee this year. They need to know the ages of the children and how many will be attending. They also need your child's T-shirt size so they can get them ordered. Please register them as soon as possible. The form for that is in this issue on page 35. It must be sent by May 15th.

Bring the kids with you. Great Wolf Lodge was chosen by the board with the kids in mind. They will have a great time and are taken care of while you are in the meeting. Great Wolf has certified lifeguards on duty at the waterpark at all times. Last year there was an incredible turnout and the kids had a great time.

We will start off Sunday afternoon with a Retirement Seminar with Joni Montroy from Key Retirement Solutions. Joni is a expert in postal employee retirement counseling. This will be from 2:30 -5 pm. This is a correction. In the last issue I had stated that she would be here Sunday evening. I am correcting that now to Sunday afternoon.

Sunday evening will be our usual Memorial Service at 7:00 pm. The Juniors are asked to help with the service.

At 7:30 on Monday morning we will again offer a breakfast for our first time attendees before we begin the official session. All newcomers are welcome and encouraged to attend. Not only will you receive a free

breakfast but you will also receive guidance on how the convention functions.

A separate breakfast for the Juniors will also be provided at 7:30 on Monday.

We will begin our joint session meeting at 9:00 am on Monday morning.

Guest speaker is NCRLCA Executive Committeemen Jeanette Dwyer. She will join us for the entire Convention

Other guest speakers during the convention are National Auxiliary Committeeman Mary Kappenman, Aneka Battle with APCU Credit Union, Ali Sherrill from Atena, USPS District Manager Scott Manier, and EAP counselor Dr. LaTacia Ruff.

Lunch will be provided for all on Monday.

Monday evening we will have "Meet the Candidates". This will be the time for you to hear what the members running for office have to say.

Tuesday morning it is back to business at 8:30.

Tuesday night we will have our PAC fundraiser with a Roaring 20's theme. There will be a prize for best dressed!

We will finish up on Wednesday with the final business and the election of State officers.

**Secretary/
Treasurer**

Vicki Gray

We will also be hosting a Red Cross Mobile Blood Drive right outside our meeting space. That day has not been finalized yet. We hope that you will consider giving the **"Gift of Life"** while we are there.

The program for the State Convention will be available on our website once it is finalized.

I'm looking forward to seeing you there!

Jeanete Dwyer of Lake Waccamaw, North Carolina was elected to the National Board of the National Rural Letter Carriers' Association at the 116th National Convention in Orlando, Florida on September 9, 2022, to serve a three-year term as Executive Committeeman.

She has served this Association as both local steward and state steward, representing 3,548 routes in the State of North Carolina. Jeanete's extensive labor relations background serves this Association well in her present position. She continues to have the strong support of her husband Larry, son Andy, and grandson Bobby.

What's New in Congress

H.Res. 70 --Stephen Lynch introduced this legislation on January 28, 2025. There are currently 191 cosponsors nationwide. We are proud to have 4 in our state; Alma Adams, Deborah Ross, Donald Davis, and Valerie Foushee. However, we need more than that. March 3rd there were only 139 cosponsors with Alma Adams the only one from our state.

PAC CHAIR

Brenda Gibbs

S.Res. 147 --Gary Peter's introduced this legislation in the Senate on March 27th. Our own Thom Tillis helped with the writing of this legislation. This is the companion bill in the Senate to H.Res. 70. There are currently 7 cosponsors.

H.R. 1065 --"Protect our Letter Carriers Act" was introduced by Brian Fitzpatrick on February 6, 2025. There are 101 cosponsors including Deborah Ross and Valerie Foushee from our state. March 3rd there were only 26 cosponsors and none were from NC.

S. 463 --"Protect our Letter Carriers Act" was introduced in the Senate on February 6th by Kirsten Gillibrand. There are 3 cosponsors, but none from North Carolina. March 3rd there was only 1 cosponsor and they were not from our state.

H.R. 1522 --"Federal Retirement Fairness Act " was introduced in the House on February 24th by Gerald Connolly. There are currently 75 cosponsors, including Donald Davis on February 24th and Deborah Ross more recently. March 3rd there were only 25 cosponsors with Donald Davis being the only one from our state.

This proves the value of our National Legislative Seminar. It was held March 22nd - 26th. State President Elaine Althoff and Vice President Jay Schreiber were both in attendance. As you can see above, the response to those meetings has been encouraging. We cannot stop. We have passed out "Letters to our Representatives" at the district meetings and we will have them available at the State Convention also. Let's keep going!!!

GUIDELINES FOR SELECTION OF OUTSTANDING MEMBER OF THE YEAR

I. Method of Selection

1. Nomination of candidates for the award shall be made prior to the State Convention. Nominations may be made directly from the members inviting such nominations. Also, local, county or district units may select candidates for the award.

2. In either event, the name of the candidate should be submitted, with a brief resume of accomplishments, to a Selection Committee to be named by the State Board, or by any other means, which may be the prevailing policy in the State Association.

II. Eligibility for Award

1. Any MEMBER of the Association may be nominated as a candidate for the Outstanding Member of the Year Award.

2. State Association Officers should not be arbitrarily selected for the award nor should they be eliminated from consideration. Officers have been chosen to lead and serve, but it is frequently demonstrated that their services go far beyond the routine duties of the office and, thus may be worthy of selection.

III. Criteria for Selection

1. The primary consideration of the Selection Committee shall be:

- (a) The service rendered by the candidate to the Rural Letter Carriers' Association;
- (b) Attendance and participation in local, state and national meetings;
- (c) Willingness to accept responsibilities and dedication in performing those duties;
- (d) Fraternal Attitude to others of the Rural Carrier Craft.

2. The Selection Committee should also consider, as a secondary matter, other service which the candidate may have rendered, such as civic and community activities, which reflect favorably upon the Rural Letter Carrier Craft and the Postal Service.

3. Consideration shall be given for services rendered in the immediately preceding twelve-month period, but not completely limited to this period of time. New carriers

should be encouraged to seek to achieve this award.

IV. Presentation of Award

When each State Association has made its selection, the name of the candidate shall be reported to the

National Office by the State Secretary on the regular Annual Report. An appropriate award will be presented by the National Rural Letter Carriers' Association at its National Convention.

V. Other

These guidelines are not intended to be binding and a State may use any other selection procedure that is suitable for each State.

The announcement of the recipient of the award will be made at the State Convention. The State Secretary shall report the name to the National Office and the award will be presented at the National Convention with State presentation at the Fall Booster.

This year the State Board has appointed the immediate past three recipients of the award to serve as the Selection Committee.

"U.S. Mail Is Not for Sale"

Rallies were held nationwide to oppose efforts to privatize or restructure United States Postal Service, the nation's largest union employer. The perceived threats to the U.S. Postal Service endanger the jobs of 640,000 postal employees and the universal service millions rely on.

Letter carriers and supporters took to the streets with a clear message: "Hell No" to dismantling the USPS.

"U.S. Mail Is Not for Sale" and "Fight Like Hell" were chanted from street corners and in front of local Post Offices around the country. Several rallies took place across North Carolina.

Postal workers continue to raise awareness about the potential impacts of privatization. In addition to the protests, postal workers are urging the public to take action. They are encouraging people to contact their congressional representatives and voice their opposition to privatizing the Postal Service,

All four major postal service unions, the American Postal Workers Union (APWU), the National Association of Letter Carriers' (NALC), the National Postal Mail Handlers Union (NPMHU) and the

National Rural Letter Carriers' Association (NRLCA) have united under the perceived threats. All are supporting one another's rallies and all are involved in lobbying campaigns throughout the country.

How quickly circumstances change.

Since the last newsletter, Postmaster General Louis DeJoy resigned, efforts have been made to dismiss the US Postal Service's governing board, (the first step to privatizing the Postal Service), and our members across the country rallied, including in Washington, DC.

Pleas to contact Congress were posted.

All this in addition to the Mini Mail Survey, District Meetings, Steward Training, and much more, while Rural Carriers were still serving their customers and maintaining their homes and families.

Folks, it has never been more imperative to get involved with your Union than NOW. Keep with you an extra form to join the NCRLCA and encourage membership and participation.

The North Carolina State Convention is June 16 through 18, 2025. Please attend. Everyone's input is essential.

To keep our members informed between newsletter mailings, we post to the NCRLCA website, and I ask you to visit often.

Your NCRLCA President, Elaine Althoff, and the entire NCRLCA State Board are quick to send requests for announcements to be posted.

We cannot know what changes are waiting for us right around the corner, but we will keep you notified as swiftly as possible.

Visit [NCRLCA.org](https://www.ncrlca.org) today and every day.

See you at the North Carolina State Convention.

Memorial Day May 26 2025

Memorial Day is more than just a long weekend marking the unofficial start of summer. It is a day steeped in history and significance, dedicated to honoring the men and women who have died in military service to the United States.

The roots of Memorial Day trace back to the aftermath of the Civil War, a conflict that claimed more lives than any other in American history and necessitated the creation of the country's first national cemeteries. The earliest known observance of what would become Memorial Day was in the 1860s, a time of immense grief and national healing.

Initially known as Decoration Day, this tradition began with citizens placing flowers on the graves of Union and Confederate soldiers. One of the earliest recorded instances occurred in Charleston, South Carolina, in 1865, where freed slaves and other citizens honored fallen Union soldiers. Women played a crucial role in these early ceremonies, organizing events and ensuring gravesites were properly adorned.

Decoration Day gradually became more widely recognized, leading to its official designation as Memorial Day. Major General John A. Logan of the Grand Army of the Republic issued a proclamation in 1868, calling for a nationwide day of remembrance. The first national observance saw volunteers decorating the graves of over 20,000 Union and Confederate soldiers at Arlington National Cemetery.

The holiday evolved to honor American military personnel who died in all wars, not just the Civil War. World Wars I and II, along with subsequent conflicts, saw Memorial Day become a day of broader national mourning and reflection.

Memorial Day vs. Veterans Day

It is important to distinguish Memorial Day from Veterans Day. While both holidays honor military personnel, Memorial Day specifically commemorates those who have died in service to the nation. Veterans Day, observed on November 11, honors all who have served in the U.S. military, both living and deceased.

Memorial Day is marked by a variety of traditional observances. Parades featuring military personnel and veterans are held in towns and cities across the country. People visit cemeteries and memorials, often placing American flags and flowers on graves. The American Legion sells paper red poppies. The red poppy is a symbol of sacrifice in honor of the soldiers who served and died for the country.

At 3 PM local time, Americans are encouraged to pause for a National Moment of Remembrance, reflecting on the sacrifices made by fallen soldiers.

This Memorial Day: Remember and Honor the brave men and women who sacrificed their lives for our freedom.

Leave for Leave Replacements

Do you know your designation code? Do you know the difference? Now that leave replacements earn annual leave, it is important to know the correct method to submit a PS 3971 – Request for or Notification of Absence and how to request your leave hours.

- A Designation Code 78 is an RCA that is assigned to a primary route and works that route when the assigned regular is not carrying the route.
- A Designation Code 79 is an RCA assigned to an auxiliary route.
- A Designation Code 74 is an RCA assigned to a regular route and serves it full time because the route is vacant or because the regular carrier is absent for more than 90 days.
- A Designation Code 76 is a Part Time Flexible or PTF that is assigned a minimum of 2 K routes and maximum of 5 K routes.

All leave replacements earn Annual Leave at the rate of 1 hour for every 20 hours worked not to exceed 4 hours per Pay Period. Any hours worked by a leave replacement is included in the 20 hours. The different designations will dictate on the incremental hours a leave replacement would use to be off for one day.

- Designation Code 78 may submit leave in one-hour increments.
- Designation Code 79 may also submit leave in one-hour increments.
- Designation Code 74 must take leave in one day increments.
- Designation Code 76 may also submit leave in one-hour increments.

When taking just one hour of leave (Only Designation codes 76, 78, and 79) the carrier is considered unavailable for scheduling.

We may not use leave if those hours will place us on OT.

Leave replacements assigned to an auxiliary route or a regular route because the route is vacant, or the regular carrier is absent for more than 90 days should keep their own records from day 1 to day

90. On day 91, management should submit a Personnel Action Request Form to change the designation 78 to either 79 or 74, whichever is applicable. Once submitted, the leave will be credited retroactively to day 1. This designation change will also allow the 79 or 74 to earn Sick Leave in addition to Annual Leave. I encourage the leave replacements to keep a count of days worked because it is very often management fails to submit the request on day 91. This will cause a delay in the leave being credited.

When we submit a PS 3971 leave slip, please make sure we are submitting properly. “Properly” is not laying it on the manager’s desk and walking away. The proper way to submit to complete 3 copies of the form. When we submit the form, management should sign and date the “notified” section and return 1 copy to you. Do not misplace your copy. This is our proof of when we requested leave. Management is not required to approve or deny our request upon submission.

Management does have a timeline to approve or deny our request or it will result in the leave being automatically approved. Per article 10.7, failure to return a request for leave within three (3) days of receipt will result in the request being automatically approved, provided the rural carrier has obtained proper acknowledgement of the leave request

Are You Wearing Your Seatbelt?

National General Insurance stresses the importance of using seat belts for safety in vehicles. Wearing seat belts is crucial for protecting drivers and passengers during car accidents, as they significantly lower the risk of injury or death. Studies show that seat belts reduce the chances of death by about 45% and serious injuries by 50%.

People who consistently wear seat belts may also enjoy lower insurance premiums, as insurers often offer discounts for safe driving habits.

It is essential to make sure that everyone in the vehicle is buckled up before starting a trip, no matter how short the distance. This practice promotes safety and helps improve the driver's record, which can lead to quicker and easier claims processing if an accident occurs. Making a habit of using seat belts shows a commitment to road safety and responsible driving. As rural letter carriers, we all have a responsibility to each other. Don't let not wearing a seat belt go unnoticed. Speak to your coworkers about the importance of wearing a seatbelt.

By calling National General, you can learn why fellow carriers take advantage of this special benefit. Make sure you mention 'RRP' when you get your quote. Provide your email address, and you will receive a FREE \$10.00 e-gift card!

submission. The day we submit is not day 1. Day 1 is the following day. Leave replacements also have access to submit via Liteblue using eLRA or the call in number. When using these methods be sure to write your confirmation number down and don't misplace this information.

It is the time of the year we all start thinking of vacations. Leave replacements have not always earned leave for paid time off. They work very hard and deserve this benefit. As a regular carrier, I think we all need to remember if not for our leave replacements we would not be able to have time off either. No matter what your designation code is, we appreciate your work and hope you will be able to enjoy paid leave. You have earned it!

Bidding On A Route

Hello to you all,

I hope this finds you well and that you are looking forward to the State Convention. It will be good to see each of you at Great Wolf Lodge in Concord.

There have been some questions about bidding on routes lately. We have route cuts already underway and route postings should be coming up close behind it. Please read the route posting that you are bidding on very carefully. We have had several carriers mistakenly bid on postings they thought were in their office.

If you bid on a route, you have until the close of the bid to withdraw it. If you bid in error, then the bid

Carriers, if you do one thing and one thing only; please get your pin numbers so you may bid on a posting.

cannot be overturned. The only contractual reason to overturn a bid is if there was an error with the posting that precludes a carrier from bidding. If this occurs HRSSC will need to be notified as soon as possible, and before the posting closes. Please get...IN WRITING that there is an issue with the bid. Make it known there is an issue.

Carriers, if you do one thing and one thing only; please get your pin numbers so you may bid on a posting. If the only reason you cannot bid is because you do not have your pin, you may not get a route at all. Get your pin number from HR, and please be prepared to bid if there is a posting that comes open you wish to bid on.

Let us discuss district wide postings. These postings can show multiple bids for multiple offices. Please be careful when clicking on open bids. Only submit what you want to bid on. Read! Read!! Read!!!

PTF's and RCA's, if you "bid all", you are saying; you are fine with whatever route you are assigned. If only one route is posted, then that is perfectly fine. The senior relief carrier will most likely be awarded the route. However, if a regular receives the award, then the relief carrier would receive the residual route.

When there is more than one route posted, I suggest you carefully select your first choice, second choice, etc....so you control the outcome of your bid. Submitting your bid in this fashion is the only way to ensure your preference when multiple outcomes are available.

No matter what you are bidding on, ALWAYS, ALWAYS keep a copy or screen shot of the submission. We need proof if a grievance is filed. Documentation is your best friend when you file a grievance in situations like these.

Bidding language can be found in Articles 12, 30, MOU # Six and MOU # Seven. To find out whether a bid is local or district wide, look in the upper left corner of the paper bid postings in your office. It will say: "Insert PO name here-Bid cluster". (For Example: "Raleigh Bid Cluster" OR "Charlotte Bid Cluster"). If it is a district wide posting. It will say: "District wide Bid Cluster".

See you at the State Convention. We will have local steward election forms for anyone who wishes to be a Local Steward.

Join us at Great Wolf!

Well, it's already that time of year again...State Convention! We will be back at the Great Wolf Lodge again this year. I'm excited about that. We had a great time last year. I know we've all had a rough year this past year with Hurricane Helene and I'm looking forward to seeing everyone again this year and having some fun. I have some great things planned for this year.

Remember you need to pre-register this year to participate in the Junior activities by May 15, 2025. There is also a non-refundable T-shirt fee of \$10 that is due with the pre-registration. The T-shirt is a safety measure that allows us to better keep track of your children during the field trip.

Send the pre-registration form and fee to Heather Greer, Junior Sponsor, PO Box 41, Vilas, NC 28692. You may also email it me at heathergreer74@gmail.com.

I would also like to encourage you to participate in the Junior Poster/Essay Contest. This is available to all children and grandchildren of both Active and Retired Rural Carriers. The poster and essay contest is open to all Juniors ages 6 to 20. All entries must be on or attached to a letter-size manila folder. The posters and essays are due by June 16th.

Attention Juniors (and parents and grandparents): National Scholarships must be completed by March 1, 2025 (past now) and NC Auxiliary Scholarships are due June 1, 2025.

I want to encourage everyone who is eligible to apply.

Hope to see you there!
