

Hi Everyone,

Just a few more days before our 116<sup>th</sup> State Convention. We are looking forward to seeing everyone and we are looking forward to honoring our Veterans on their special day. I want to remind everyone that there is an indoor mask mandate in Guilford County and to assure you that we have worked with the staff at Koury Convention Center to provide you with the safest experience possible. We will be having a silent auction for PAC this year, so if you have baskets of goodies or other items for the auction, don't forget to bring them. We expect this convention to take the full two days and we will be providing lunch both days.

There are numerous restaurants nearby and Four Seasons Town Centre is across the street. Round 1 bowling and amusement is located there, and AmStar Cinemas is close by for your evening entertainment. See you there.

Brenda Gibbs

NCRLCA President
